TUCK'S POST CARD

CARTE POSTALE.

By Appointment.

Loch Katrine. The lake is eight miles long and on an average three-quarters of a mile wide. Surrounded by wild hills of a considerable height, the highest points being Ben Vane on the north, Ben Lomond and Ben Venue on the south. The Trossachs at the east end separate it from Loch Vennacher, and this part of the loch—by far the most beautiful—abounds in associations with Scott's "Lady of the Lake."
